The screenshot shows the Project Fauxton web interface for a database named 'biblioteca'. The left sidebar contains navigation options: 'All Documents', 'Run A Query with Mango', 'Permissions', 'Changes', and 'Design Documents'. The main area displays a table of documents with columns for document ID, key, and value. The table shows three documents:

Document ID	Key	Value
765898c2783b7a39...	{ "id": "libro_1", "titul...	{ "id": "libro_2", "titul...
765898c2783b7a39...	{ "_id": "socios", "no...	{ "_id": "socios", "no...
765898c2783b7a39...	{ "_id": "prestamos", ...	{ "_id": "prestamo_2"...

The interface also includes a 'Create Document' button and a 'Showing 3 of 4 columns' indicator.
